**Lunch provided on course**

**4:00 P.M.**  
**Cocktail reception followed by buffet dinner**

**The Seawane Club**  
**1300 Club Drive, Hewlett, NY 11557**

**About FTD**

FTD is the most common dementia under 60: bringing progressive changes in behavior and personality, language and/or movement. Today, there are no treatments and there is no cure. Join us to help #endFTD, on behalf of all the families AFTD serves.

The Association for  
Frontotemporal Degeneration  
**FIND HELP • SHARE HOPE**

AFTD ([www.theaftd.org](http://www.theaftd.org)) is the leading national nonprofit working to help families facing frontotemporal degeneration (FTD). The organization advances research, raises awareness, reaches thousands with vital support, and drives education and advocacy.

**AFTD envisions a world with compassionate care,  
effective support, and a future free of FTD.**
