

virtual meet & greet

Thursday, October 5, 2023
6:30 - 8:00 p.m. ET

Event host Molly Secrest is interested in helping to bring FTD awareness and resources to the Syracuse, New York area. More information about an upcoming new virtual support group in Syracuse will be offered at the Meet & Greet.

To RSVP and receive the Zoom link for this virtual event, email **Molly** at molly.secrest@verizon.net. You can also email her with any questions you may have.

The Association for
Frontotemporal Degeneration
FIND HELP • SHARE HOPE

Frontotemporal degeneration (FTD) is the most common dementia for people under 60. Striking earlier in life, it can devastate family relationships, finances and even the health of caregivers. You don't have to face FTD alone; AFTD offers information, resources, support, and opportunities to make a difference. Find out more: www.theaftd.org.
