

3RD ANNUAL DUSTIN SNYDER MEMORIAL GOLF OUTING TO BRING AWARENESS TO FRONTOTEMPORAL DEGENERATION

The Association for
Frontotemporal Degeneration
FIND HELP • SHARE HOPE

Last year the Dustin Snyder Memorial Golf Outing partnered with The Association for Frontotemporal Degeneration (AFTD) to donate a portion of the proceeds from the event to benefit AFTD's mission to improve the quality of life for people affected by frontotemporal degeneration (FTD) and drive to a cure. Our goal is to raise funds for and awareness of FTD, the terrible disease that took the life of Dustin Snyder in 2022. FTD is a rare disorder that causes impairment in personality, language, behavior, and/or movement. It is a progressive disease with onset occurring most often in a person in their 40's to 60's, and thus impacts family and finances in a way other forms of dementia do not. AFTD is a national 501(c)(3) nonprofit who works every day to advance research, awareness, support, education, and advocacy. Donations can be made directly to AFTD at the event. We are also asking for event corporate sponsorship which may be tax-deductible (please consult your tax advisor).

3RD
ANNUAL DUSTIN SNYDER
BIRTHDAY BASH
CHARITY GOLF OUTING
JUNE 9, 2024

EVENT SPONSORSHIP \$2,500
