

virtual meet & greet

**Thursday, June 20, 2024
7:30pm ET**

LGBTQ+ people living with or caring for a loved one with FTD face compounding stressors unique to their population. AFTD is committed to providing a safe, affirming environment to access resources and psychosocial support for care partners while navigating the FTD journey, with people who understand their lived experiences. AFTD will host a national, virtual Meet & Greet on Thursday, June 20th at 7:30pm ET as a less formal introduction to the support group we plan to launch. Erin Ficca and Lauren Pelaia, both staff at AFTD, will host the Meet & Greet and facilitate the support group.

The Association for
Frontotemporal Degeneration
FIND HELP • SHARE HOPE

Frontotemporal degeneration (FTD) is the most common dementia for people under 60, Striking earlier in life, it can devastate family relationships, finances and even the health of caregivers. You don't have to face FTD alone; AFTD offers information, resources, support, and opportunities to make a difference. Find out more: www.theaftd.org.
