With Love (February)

Honor or remember a loved one through this virtual campaign, based on the day dedicated to love, Valentine's Day. Create a fundraising page through our online platform and share your story of love.

Race Season (Year-Round)

Join the AFTD-Team where we partner with established races across the country and form a team for local community members to participate on. Walk or run, there's a race for everyone, from a 5K to a marathon!

Food for Thought (September/October)

Host an in-person, virtual or hybrid event where the only required ingredients are food, fun, and FTD education.

Independent Events (Year-Round)

Do you have an idea for an event that isn't covered by one of the three campaigns above? Whether it's a golf tournament, product sale, local race, or something else, AFTD's Events Department is here to provide one-on-one support for your event to be a success.

"I was blown away at how much guidance, ideas, and encouragement that I got, it was the best part about pitching my ideas."
