

FTD and Young Onset Meet & Greet

Do you have questions about frontotemporal dementia (FTD) or young onset dementia?

Interested in meeting others walking a similar journey?

Join Alzheimer's San Diego, For Their Thoughts Foundation, and the Association for Frontotemporal Degeneration for an informal meet & greet, have your questions answered and learn more about the services and support the three organizations provide.

Coffee and pastries will be provided. Please register in advance through the QR code to guarantee your spot.
